

**The following is the text of the public notice issued by the National human Rights Commission in The Tribune, on July 15, 2004.**

**REFERENCE CASE NO. 1/97/NHRC**

**(Arising out of the order of the Hon'ble Supreme Court of India dated December 12, 1996 and September 10, 1998 in Writ Petition No. 447/95 and 497/95)**

**PUBLIC NOTICE**

Under the remit of the Supreme Court of India, the National Human Rights Commission is conducting an inquiry into the circumstances leading to the cremation, by the Punjab Police, of 2097 dead bodies as unclaimed/unidentified in the police districts of Amritsar, Majitha and Tarn Taran between June 1984 to December 1994. If, as a result of the inquiry it is found that those 2097 dead bodies or some of them were cremated without following the lawful procedure or that there has been any other violation of human rights in relation to such deceased person, the Commission may in appropriate case or cases consider the question of grant of compensation to the legal heirs/NOK of the deceased.

For the aforesaid purpose, the National Human Rights Commission had invited claims/applications through a public notice from the legal heirs and dependants of the deceased. In response to the public notice 88 claims were received.

From the inquiry conducted so far, the CBI had submitted lists A,B and C furnishing the details of 582 identified dead bodies (List A), 278 partially identified dead bodies (List B) and 1237 unidentified dead bodies (List C).

The National Human Rights Commission undertook an exercise to further identify the dead bodies cremated by the Punjab Police. As a consequence thereof, 64 more deceased from the 'List B' and 47 more deceased from the 'List C' have been identified whose names have been added in 'List A' of the identified deceased. Thus, as on date the identity of the 693 cremations under investigation, has been definitely ascertained.

In its order dated 17.03.2004, the National Human Rights Commission observed that for effective determination of issues, including compensation, it is essential to invite claims from next of kin (NOK) of the cremated persons. Hence by this public notice, the National Rights Commission invites NOK of all such persons whose name figure in the CBI Lists A & B (being published along with this notice) to submit their claims, if any, in person or through counsel. NOK of persons, other than those mentioned in Lists 'A' and 'B', who also consider that they have some claim to prefer in respect of their 'unidentified' deceased (List C) may also, likewise submit their claims to the Commission in person or through their counsel. Such NOKs may also refer to 'List C' (being published along with the notice) containing available particulars of the 'unidentified' cremations.

The Commission clarifies that the 88 claimants, who had responded to the earlier notice, need not file fresh claims. A separate communication is being sent to them in connection with processing of their claims.

The claims/applications, giving details/particulars of the complainant, his relationship with the deceased as well as the names and addresses of other legal heirs of the deceased along with the particulars and the facts within the knowledge of claimant relevant for the determination of claim supported by an affidavit duly attested by an Oath Commissioner, should be sent either by Registered Post or submitted in person at the Commission's office at Sardar Patel Bhavan, Sansad Marg, New Delhi within 8 weeks from the date of publication of notice.

Belated and incomplete claims/applications are liable to be rejected summarily. Any false information given either in the claim/application form or in the affidavit would invite prosecution of the claimant.

GIVEN UNDER MY HAND AND SEAL of the Commission this \_\_\_\_\_ day of May, 2004.
